For more information, please contact:

Jeanie Baldwin at jbaldwin@springfield.fl.gov or at 850-872-7570 ext 103

The Recovery and Resiliency Partnership Projects (R2P2) technical assistance supports the city's vision for long-term economic recovery. R2P2 technical assistance is provided by the U.S. Federal Emergency Management Agency (FEMA) Integrated Recovery Coordination (IRC) field operations in partnership with regional, state, and federal agencies to support communities as they recover from Hurricane Michael.
