Guaranteed the Most Comfortable Pillow You'll Ever Own!

Hi, I'm Michael J. Lindell, Inventor, Manufacturer, and President of MyPillow, Inc. Years ago, like you, I found myself extremely frustrated with my pillow going flat. Most pillows are designed to break down. I would wake up in the morning with a sore arm, my neck would hurt, my fingers would be numb, I would toss and turn all night not knowing why. I tried many different pillows on the market and none of them worked. So, I started to research pillows and study sleep disorders. I was adamant about creating the world's healthiest, most comfortable, and most durable pillow. MyPillow® uses our unique, patented medical fill that stays cool, conforms to your exact individual needs regardless of sleep position, and stays healthy for your full 10-Year Warranty. It is dust mite resistant, non-allergenic, and you can wash and dry it as easily as your favorite blue jeans.

MyPillow® is not available in stores. I have spent the last seven years selling MyPillow® face-to-face at fairs, expos and events. Hundreds of chiropractors and medical doctors carry and recommend them for their patients. I have been featured on medical talk shows that air around the world. I have sold over 300,000 pillows and have received thousands of testimonials from satisfied customers regarding how MyPillow® has changed their lives and relieved their disorders such as:

- Snoring and Sleep Apnea
• Fibromyalgia & TMJ
• Restless Leg Syndrome
• Migraines/Headaches
• Neck & Back Pain
• Asthma/Allergies
• Anxiety & Insomnia

Many people, like me, are in search of the pillow that will help them sleep comfortably. At night, you may sleep with your arm under your head for support, flip-flop from side-to-side, flip your pillow over because of overheating, basically robbing yourself of highly beneficial REM sleep. Even if you are asleep for a full night, if your vertebrae are not fully supported, you're only getting a few minutes of quality, healing sleep.

I'm so confident MyPillow® will help you that I'm offering an unprecedented 60-Day Money-Back Guarantee in addition to the 10-Year Warranty! My customer service is the best there is. My company is a member of the Better Business Bureau, and we have an "A+" rating. MyPillow® is patented, U.S. Patent #7461424. We do all of our own manufacturing, and all materials are 100% made in the U.S.A.

I truly believe MyPillow® is the best pillow in the world, and that if everyone had one, they would get better sleep, and the world would be a much better place. God Bless!
