SECTION 1.04. FINDINGS. It is hereby ascertained, determined and declared that:

(A) Pursuant to Article VIII, Section 2(b) of the Florida Constitution, and Sections 166.021 and 166.041, Florida Statutes, the City Commission has all powers of local self-government to perform municipal functions and to render municipal services except when prohibited by law and such power may be exercised by the enactment of legislation in the form of City ordinances.

(B) The City Commission may exercise any governmental, corporate, or proprietary power for a municipal purpose except when expressly prohibited by law, and the City Commission may legislate on any subject matter on which the Legislature

may act, except those subjects described in (a), (b), (c), and (d) of Section 166.021(3), Florida Statutes. The subject matter of paragraphs (a), (b), (c) and (d) of Section 166.021(3), Florida Statutes, are not relevant to imposition of the Nuisance Abatement Assessments within the City.

(C) The City is authorized by Article VIII, Section 2 of the State Constitution, Section 166.021, Florida Statutes, the Nuisance Abatement Ordinances, the Uniform Assessment Collection Act, and other applicable provisions of law, to provide for the imposition and collection of charges in the form of special assessments, such impositions also being sometimes characterized as non-ad valorem assessments.

(D) The Commission has enacted the Assessment Ordinance and the Nuisance Abatement Ordinance to authorize the imposition of Nuisance Abatement Assessments to fund the Nuisance Abatement Service Cost to benefit property in the Assessment Area.

(E) Prior to the adoption of the Assessment Roll but subsequent to the adoption of the Assessment Ordinance and Nuisance Abatement Ordinance, the City incurred costs related to the abatement of one or more public nuisances and the remediation or improvement of property in accordance with the Nuisance Abatement Ordinance, which costs remain outstanding, and are properly included within the Nuisance Abatement Service Cost.

(F) The provision of Nuisance Abatement Services have specially benefitted the Tax Parcels to be assessed and enhanced the utilization and enjoyment of the Tax Parcels

by one or more of the following: (1) protecting or enhancing the value and use of the property through the elimination of an existing code violation that presents a serious threat to the public health, safety, and welfare; (2) providing increased safety and better access to the property; (3) improving the property's appearance; (4) rendering the property more adaptable to a current or reasonably foreseeable new and higher use; (5) fostering the enhancement of environmentally responsible use and enjoyment of the property; and (6) eliminating the accrual of daily fines imposed on the property due to the original code violation.

(G) The Nuisance Abatement Service Costs consists of costs incurred by the City, including all actual, administrative, service and collection costs, in performing any work necessary to abate a nuisance located on an affected Tax Parcel. The Commission hereby determines that the Nuisance Abatement Service Cost provides a special benefit to each Tax Parcel to be assessed, and that it is fair and equitable to allocate the Nuisance Abatement Service Cost to Tax Parcels predominately benefited by the removal or abatement of the public nuisance from that Tax Parcel and the reciprocal relief of the burden caused by the Nuisance, based upon the actual, administrative, services and collection costs incurred by the City in abating the nuisance located on the Tax Parcel and which costs are uniquely attributable to that Tax Parcel.

Re: Tax Parcel Number [Insert Number]

Dear Property Owner:

In accordance with Section 197.3632, Florida Statutes, notice is hereby given by the City of Springfield that a non-ad valorem assessment for nuisance abatement services using the tax bill collection method, may be levied on your property for the fiscal year beginning on October 1, 2020. The purpose of this assessment is to recover costs arising from nuisance abatement services for the abatement of nuisances benefitting affected properties located within the City's municipal boundaries. The total property abatement assessment revenue to be collected is estimated to be \$27,430.50 for the fiscal year beginning October 1, 2020. The assessment of each parcel of property will be based upon the extent of work necessary to abate or correct a violation of the City's Code of Ordinances. The assessment will include the actual costs incurred by the City in performing any work necessary to abate or correct violations for unsafe structures or abatement of nuisances or both, including all labor, materials, disposal and administrative costs.

Copies of the Initial Assessment Resolution and the preliminary Nuisance Abatement assessment roll describing the assessments are available for your review at the offices of the City Clerk, located at City Hall, 408 School Avenue, Springfield, Florida. Information regarding the assessment for your specific property is included below.

The total amount of actual and administrative costs incurred by the City in performing the work necessary to abate or correct a violation of the City's Code of Ordinances on the above referenced parcel is \$[11,843.50/5,268.50/10,318.50] ("Nuisance Abatement Cost"). The City has the right to foreclose and collect delinquent assessments in any manner provided by law.

Until paid, the Nuisance Abatement assessment will constitute a lien against assessed property equal in rank and dignity with the liens of all state, City, district, or municipal taxes and other non-ad valorem assessments. Assessments shall become delinquent if not paid within thirty (30) days from the due date.

The City, in its sole discretion, shall determine whether to provide a program of hardship assistance, either through monetary contributions or extended payment terms, to City residents who are living below or close to the poverty level and are at risk of losing title to their homes as a result of the imposition of a Nuisance Abatement Assessment.

The City Commission will hold a public hearing at 5:30 PM on September 8, 2020, in the Commission Chambers at Springfield City Hall, 408 School Avenue, Springfield, Florida, for the purpose of receiving comments on the proposed assessments.
