BAY COUNTY, FLORIDA  
RESOLUTION NO.: 07-01**

**A RESOLUTION OF THE CITY OF SPRINGFIELD, FLORIDA,  
IN BAY COUNTY FLORIDA, URGING MEMBERS OF THE  
FLORIDA LEGISLATURE TO SUPPORT THE FOLLOWING  
ISSUES DURING THE 2007 LEGISLATIVE SESSION.**

**WHEREAS**, municipal self-determination and local self-government are constantly under attack from a variety of public and private interests; and

**WHEREAS**, numerous counties have recently proposed revisions to their charters that would adversely impact the Home-Rule powers of municipalities within those counties; and

**WHEREAS**, a majority of Florida's municipalities have experienced negative impacts to infrastructure, housing stock and employment base from a series of natural disasters; higher than expected increases in the cost of building products; double-digit increases in the cost of property insurance; and inequities in the existing property-tax system; and

**WHEREAS**, Florida's continuing population increase has presented a challenge to cities struggling to meet the infrastructure needs required to accommodate new growth and development without an infrastructure revenue source dedicated to municipalities; and

**WHEREAS**, various proposed revisions to the property-tax system would have substantial adverse impacts for all municipalities in Florida should they be adopted; and

**WHEREAS**, Governor Charlie Crist and Florida's House and Senate leaders have an opportunity to address the unique concerns of municipalities during the upcoming 2007 legislative session.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF SPRINGFIELD, FLORIDA AS FOLLOWS:**

**SECTION 1.** That the City of Springfield, Florida urges Governor Charlie Crist and members of the Florida Legislature to support legislation during the 2007 legislative session that:

- Restores and maintains municipal Home-Rule authority for municipalities located within charter counties.

- Supports a tax structure that is fair and equitable, and is competitively neutral and allows municipalities the flexibility to provide adequate services in their communities.
- Preserves the dedicated documentary stamp fees as a funding source for the State and Local Government Housing Trust Fund (Sadowski Trust Fund), eliminates the cap placed on fund distribution, and prohibits any of these trust fund dollars from being diverted to the General Revenue Fund.
- Provides a comprehensive and uniform workers' compensation system for all municipal employees, regardless of employee classification, at a reasonable cost to employers.
- Provides a dedicated and recurring source of revenue, including municipal local-option fuel taxes, rental-car surcharges, or other taxes or fees, for municipalities to fund transportation projects such a TRIP, urban arterial and other projects. Furthermore, the existing distribution formula for local-option transportation taxes imposed by a county should be revised to allow for a more equitable distribution to municipalities and provides for indexing of local-option fuel taxes.
- Requires legislative authorization prior to the Florida Department of Transportation removing or delaying any project that is contained in the FDOT Five-Year Work Plan.
- Preserves municipal authority to franchise cable and video services.

**SECTION 2.** That a copy of this resolution shall be provided to Governor Charlie Crist, Senate President Ken Pruitt, House of Representatives Speaker Marco Rubio and members of the Florida Legislature.

**PASSED AND ADOPTED** in regular session of the City Commission of the City of Springfield, Bay County, Florida this 5th day of February 2007.
