

Important info for residents of Springfield
Effective 13th of July 2020

- Mr. Trash LLC has been contracted by the city of Springfield to remove ONE 96 gallon can of garbage per household, per week.
- If you would like a second 96 gallon can to be picked up every week at your home, please contact the City of Springfield and ask to be added to the Extra Can List.
- As soon as the city of Springfield lets Mr. Trash know that you have been added to the Extra Can List, your second can of garbage will be disposed of.
- If you are NOT on the second can list, and your home puts out more than ONE can of garbage, Mr. Trash will only remove ONE of the cans.
- Your second can may be a different color than your first can. This is to ensure that our drivers know that you are on the second can list and do not miss your house.
- Mr. Trash will NOT pick up any garbage in personal cans.
(Cans that do NOT have the Mr. Trash logo on them)
- Mr. Trash will NOT consistently pick up extra trash outside of the can. **Trash must be placed in the can** and the lid must be able to close. If you consistently have extra trash outside your can, please order a second can.
- A Knuckle Boom Truck will come around the same day as your household trash pickup, to remove up to 4 yards of bulk items such as, **Yard Debris, furniture, appliances, and small trees**. This does NOT include extra bags of household trash
- If your home was missed and your garbage was not picked up, please call Mr. Trash (850-249-3382) within 24 hours of the missed pickup. Mr. Trash will send someone out as soon as possible to correct the mistake.
- If you have any questions, please contact Mr. Trash at (850-249-3382). Or stop in at 1108 School Ave, Panama City Fl 32401.

Thank you and have a nice day.
